The most extraordinary discovery in the World is the Gr at Arabian Remedy for man and Beast. H. G. FARRELL'S

# CELEBRATED ARABIANLINIMENT

IT IS AN ERRONEOUS IDEA that diseases cannot be cured except by taking large quantities of medicines into the stomach, in a great many cases of which much injury is done, although the disease in point be actually cured. The coats of the stomach by continued use of museating mixture, frequently become so much disordered that the digestice function is seriously injured—the result of which is dys pepsia, nervousness, cholics, alternate diarrhox and costive ness, flatulence, nightmare, etc., etc. Would it not, therefore, be very desirable to possess a remedy, which being applied externally would excite the absorbents to increased ac tion, and thus carry off through this medium, the deleterious principle, which is the direct cause of the disease? Surey every thinking man will admit that this would not only be the most pleasant, but by far the safest means to effect the desired end. The almost superhuman cures performed by the Arabian physicians in the days of old were mainly effected by this course of treatment, and the ingredients of which H. G. FARRELL'S CELEBRATED ARA-BIAN LINIMENT is composed, are extracted from rare plants peculiar to Arabia, This great Liniment (which is now ) to be had of most respectable druggists and merchants in every town in the United States) is daily affecting cures which seemed beyond the power of medicine to controlconsumption, bronchitts, and liver complaints in their first Butter, Eggs, Sugar, Coffee, Tea, Candles, Bacon, Lard and stages, nervous affections, indigestion, enlargement of the all other articles usually kept in a Family Grocery. spleen, scrofulous tumors, goitre, etc., etc., are frequently feb16 D. It is unsurpassed as anodyne-relieving severe pains in a few minutes after its application, it soothes the irritated nerves, and produces that delightful tranquility so grateful to the nervous invalid. Sprains, bruses, wounds, burns, sore throat, chilblains, rheumatism, sun pain, etc., are speedily cured by it, and for nearly all ailments in horses or cattle, requiring an external application, it is an effectual remedy

Look out for Counterfeits! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. Fahnestock & Co.—Gents: For the benefit of others I take pleasure in testifying to the valuable qualities of your Vermifuge. About ten years ago my attention was first called to it by a friend, an officer in one of the Banks in Nashville, in whose estimation it was then a standard article, having used it in his family with very satisfactory results. By his advice I took a vial home for one of my children, who had until then been very feeble and subject 1.-HAND-BOOK OF LITERATURE AND THE FINE to frequent sickness. One remarkable case in the family of a near relation, I will mention in particular. The child was about four years of age, had always been puny; often attacked with severe pains, and at the age mentioned, had nearly lost the use of the lower extremities. I recommended the use of your Vermifuge in the case, and left the half of a vial which I was taking home, with directions for its use. I learned afterwards that the child passed an enormous bulk of large worms-the number not remembered-and in a short time by the use of the Vermifuge the fits ceased, and health Legan to improve. When I next saw the child she was walking, and enjoying perfect health! This recovery from the very jaws of death, the friends attribute to the use of your Ver JOHN HERRIFORD.

MEDICAL.

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH. CROUP, ASTHMA, AND

CONSUMPTION. TO GURE A COLD, WITH HEADACHE AND SORE-NESS OF THE BODY, take the CHERRY PECTORAL OR going to bed, and wrap up warm, to sweat during the night.
FOR A COLD AND COUGH, take it morning, noon and evening, according to directions on the bettle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a scated cough, which breaks them of their rest at night, will find, by taking the Cherry Pecteral on going to hed, they may be sure of sound, unbroken sleep, and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are thus afflicted, by this invaluable remedy.

From its agreeable effect in these cases, many find them-selves unwilling to forego its use when the necessity for it has ceased.

From two eminent Physicians in - FAVETTEVILLE, Tenn., April 16th, 1851. Six.—We have given your Cherry Pectoral an extensive trial in our practice, and find it to surpass every other remedy we have for curing affections of the respiratory organs.

DRS. DIEMER & HAMPTON.

TO SINGERS AND PUBLIC SPEAKERS this remedy

is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few bours, and wonderfully increases the power and flexibilty of ASTHMA is generally much relieved, and often wholly cured by Cherry Pecteral. But there are some cases so ob-

stinate as to yield entitely to no medicine. Cherry Pectoral will cure them, if they can be cured.

DRONCHITES, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Doct. Lansing, of Brooklyn, New York, states "I have seen the Cherry Pectoral cure such cases of Asth-ma and Bronchits as leads me to believe it can rarely fail to cure those diseases." FOR CROUP. Give an emetic of antimeny, to be followed by large and frequent doses of the Cherry Pectoral, until it subdues the disease. If taken in season, it will not

fail to cure. WHOOPING COUGH may be broken up and soon cured by the use of the Cherry Pectoral. THE INFLUENZA is speedily removed by this remedy. Numerous instances bave been noticed where whole families were protected from any serious consequences, while their neighbors, without the Cherry Pectoral, were suffering from

SALEM, Ohio, June '51. I write to inform you exthe truly remarkable effects of your CHERRY PECTORAL in this place, and in my own family. One of my daughters was completely cured in three days of a dreadful Whooping Cough, by taking it. Dr. Means, one of our very best physiciaus freely states that he considers it the best remedy we have for pulmonary diseases and that he has cured more cases of Croup with it than any other medicine he ever administered.

Our clergyman of the Baptist Church saysthat during the

run of INFLUENZA here this season, he has seen cures from your medicine, he could scarcely have believed without seeing. Yours respectfully, J. D. SINCLAIR, Deputy Postmaster. From the distinguished Professor of Chemistry and Materia Medica, Bondoin College.

I have found the CHERRY PECTORAL, as its ingredients show, a powerful remedy for colds and coughs, and pulmo-BRUNSWICK, Me., Feb. 5, 1847. PARKER CLEVELAND, M. D. DR. VALENTINE MOTT. The widely celebrated Profess of Surgery in the Medical College, New York City, says:-"It gives ma pleasure to certify the value and efficacy of Ayer's therny Pectoral,' which I consider peculiarly adapt-

ed to cure diseases of the Throat and Lungs. Cures of severe diseases upon the Lungs have been affect ed by CHERRY PECTORAL in such extreme cases as warrant the belief that a remedy has at length been found that can be depended on to cure the Coughs, Colds and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail them-

selves of it. JAMES CAYER. Prepared and sold by Druggist and Chemist, Lowell, Mass. febl-3m.
